From our Executive Director:

Merry Christmas!

Hope...meaning...purpose...these are a few of the many gifts brought to those who provide homes to foster children. Being a foster parent requires that you give a great deal but many foster parents have reported getting far more in return than they expected or anticipated. Some found that their family grew and love multiplied. Some found purpose and meaning from providing even a temporary haven for children in need. I believe that within each of us is a basic need for meaning and purpose in life. Often finding that meaning and purpose requires reaching beyond our comfort zones.

It takes a community working together for us to experience the quality of life to which we have become accustomed, and oftentimes take for granted. We need the skills and talents of teachers, plumbers, doctors, mechanics, engineers, nurses, farmers, and so many more in order to sustain and promote growth, opportunity, and hope for our world. Our communities must develop greater potential for reaching out and helping children and families by facilitating connection to the gifts of love, belonging, support, and acceptance.

We are currently experiencing a growing crisis of opioid, amphetamine and cocaine addiction that is having a devastating impact on our communities, and particularly, our children. Current estimates for the coming year indicate there will be over 3,000 children entering foster care in the East Texas region *alone*. Because there are not enough homes to meet the need, many children are often separated from the communities in which they live, the parents, siblings, and families that they love, and the schools, friends and neighbors who support them. They are sent to a region that may have a place for them to lay their heads,

but often so many of the most important and critical supports are swept away. Our community has a dire need for more families to open their homes and hearts by providing safe care and support for this very vulnerable population.

“Our community has a dire need for more families to open their homes and hearts ...”

The research is very clear - that children who are kept in their own communities and schools, with their sisters, brothers and family members, will do better in life. I have come to believe that every single community has a responsibility to ensure that children are cared for within their own communities.

Community-based care is being implemented in Texas as a result of this research. Rather than children being cared for in a home far away, and separated from supportive relationships, they are being cared for within their own communities. Community-based care models are designed to reflect best practices with sensitivity to the diverse cultural, social and economic needs and strengths in communities across Texas.

These children within our communities need your help. We need more homes, not only in East Texas, but across the state. We need families who are willing to share their homes, resources, and lives with children in need. We need families that will keep sibling groups together. We need families that are willing to provide hope to children who are in such desperate need.

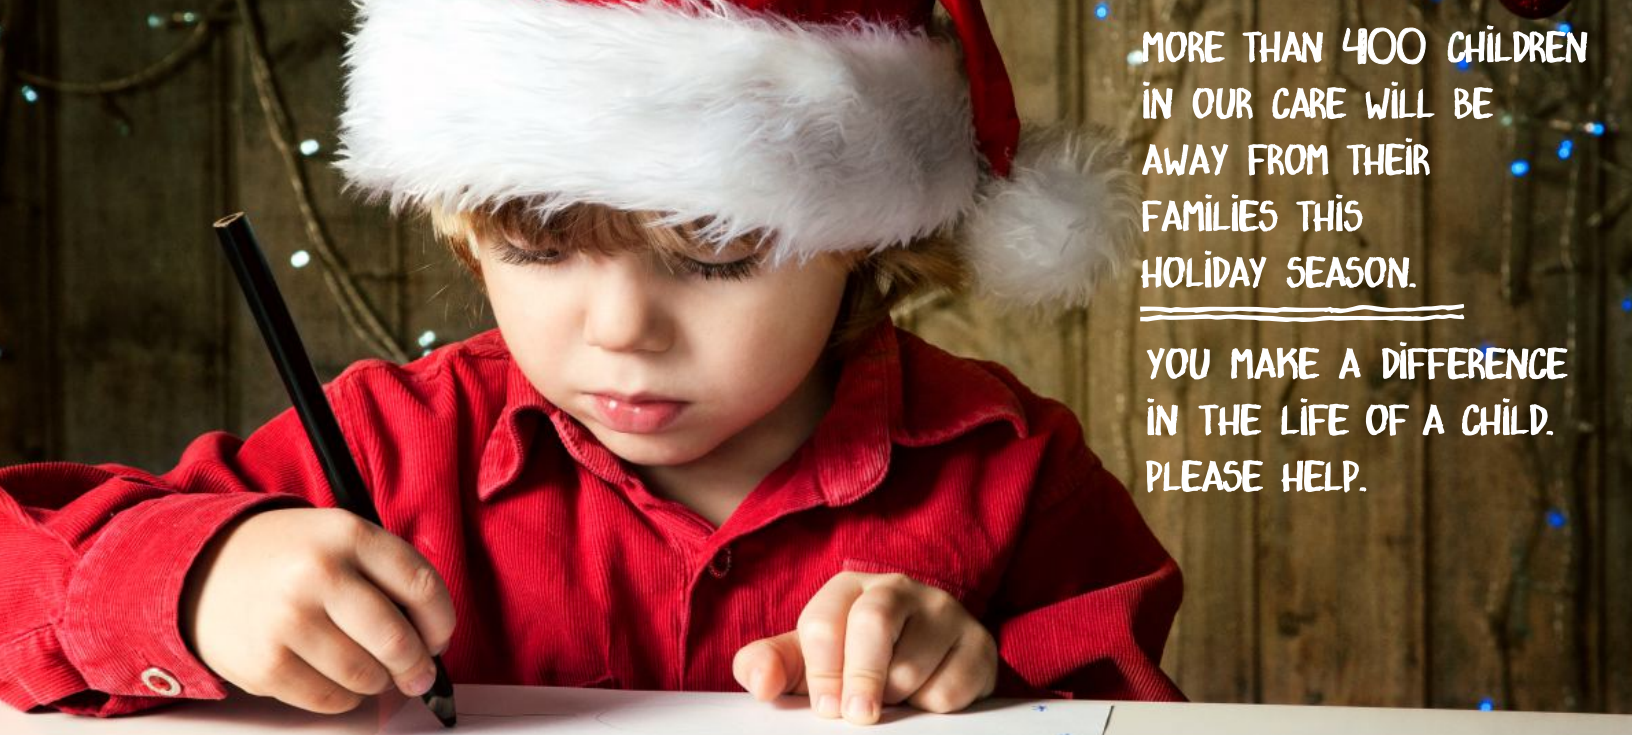

I believe one of the roads to achieving a life of purpose and meaning is through our service to others. During this holiday season, I encourage you to share time with your family, and consider the possibility of being a safe haven for children in need. Consider becoming a light in the darkness, and giving hope of a better life to children in need. If foster care is not for you, simply consider the many other ways your family can make our community a better place. Making the world a better place starts with all of us.

Merry Christmas and
Happy Holidays!

The 10th Annual Texas Equestrian Gala Benefiting Azleway was held on October 27th, at the beautiful Texas Rose Horse Park.

Our Halloween weekend extravaganza was full of spooks, spirits, and lots of FUN! Our guests were entertained by the exciting Hunter/Jumper Horse Show, then moved on to a Texas wine tasting, full dinner by **Montez Creekside Kitchen**, a live auction with our wonderful auctioneer **Mark Scirto**, engaging silent auction, and music by **DJ Evan Payne**. Many thanks to our chairmen, **Casey Oland** and **Victoria Williamson** and their hard-working committee for a beautiful and successful event.

The Texas Equestrian Gala is one of the ways that Azleway fills the gap between state funding and the actual cost of treating the children in care, which means participation in our special events directly impacts children for generations to come. Many thanks to our committee, sponsors, donors, and guests for helping to make a real difference in the life of a foster child!

FOSTER PARENTS OF THE YEAR

Tyler Division

LaTonia and Mitchell Bell

These loving foster parents were selected as Azleway Foster Parents of the Year by Azleway Executive Director Gary Duke . They have earned this designation through hard work, giving spirits, and a willingness to sacrifice for the good of the children of Azleway. Thank you, LaTonia and Mitchell for your dedication.

Amiya's First Day in Our Home

Pageant Day

I would first start out by saying how **HONORED** we are to receive this **Foster Parent of the Year** award. We are now up to 28 kids since 2012, with one adopted child - Sweet Amiya. She came to us in February of 2015. My daughter Alex calls Amiya her "Saving Grace". 😊

When I first started this journey I was a single foster parent. I was driven to foster because I had been around it since I was 16 years old. First, my Aunt Vera, then my ex mother-in-law who fostered for 45 years or so, adopting five children along the way.

I have a true LOVE for the kids, and was only blessed with two biological children of my own. When I met my husband 9 years ago - married for 5 now - I decided to drag him on this journey as well...LOL. My husband, being a football coach, loves the kids just as much as I do.

We love being able to make a difference in these kids lives, whether it is for a few days or a year - we love them all. And we will continue to BLESS these children until God says other wise. 💕

Adoption Day!

Why Yes, We Do Have a Food Pantry!

Lots of folks have asked, “**Where did Papa Bill’s Pantries start?**” It goes back to that very first day back in 1979, during our first Open House, in Tyler. The phone rang, and I was called to the phone to ask if I could use some free cereal. When I said “Yes!”, the man on the phone said, “Bring a truck!” 44 cases of cereal hit the house that first day, and with only 5 boys in care, there was no way we could use it all. So we called three other homes in the area and shared.

And so began the adventure that generating foods has become. Shortly afterwards, we built a metal storage building that became our first “Pantry.” With continuing contributions from local grocers, we received about \$90,000, per year, in free groceries. In 1983, we joined with the **North Texas Food Bank**, and began picking up groceries once a week. Within three years, we had become the second largest distributor of groceries within the food bank. Our network of recipients included over 43 children’s homes and charities in the Tyler area.

Eventually, this led to a meeting between East Texas donors and five of the larger charities with the North Texas Food Bank, and that led to the formation of the **East Texas Food Bank**. In 1985, we built a log cabin store that became our main source of food for all of our children and programs. **Papa Bill Partridge** would help manage the store during his “off times”, until he retired. Then took charge of the program, thusly named **Papa Bill’s Pantry**.

The concept behind the store was complex.

- 1) It was a training facility for boys at the Ranch to equip them to get jobs with Brookshires, Walmart, and other operations. More than 18 young men graduated from those jobs in the ‘80’s and went on to work throughout East Texas.
- 2) It was also the hub from which we distributed groceries to all of our residents within all Azleway programs, from Campbell to Big Sandy, Arlington to Houston, and beyond. There were so many contributions of food coming in that we initiated a community food assistance program.
- 3) It served as an interim food assistance program for start up child care programs. These homes could get groceries on an interim basis from us, as long as they all began the process of applying for partnering with the East Texas Food Bank. Some are still in operation today.

In 2010, a whole new operation was begun with the opening of the **David Haberle Distribution Center**, at the Tyler location. Palletized food and dock height trucks helped increase our volume. With our partnership with the **East Texas Food Bank**, **Feed the Children**, **Harvest International**, and various corporate donors, we have been blessed to be able to feed more people than is believable.

Our Houston distribution center has been feeding over 31,000 people since Hurricane Harvey made landfall, with this effort continuing to this day.

For those of you who have not had a chance to visit one of our Pantries, please take the time and see what its all about. Whether in Tyler, Grand Prairie, Humble, or Nacogdoches, you will be surprised at the variety of product. For a guided tour, and to check on the best “live action” times, contact me, **Bill Partridge**, at **(903) 521-6619**.

Papa Bill's Store - as known as the David Haberle Distribution Center, in Tyler, provides food and clothing for the local community, as well as for the boys who live at Azleway Boys' Ranch. The store has two sides - the food side and the clothing side. Azleway Founder Bill Partridge and Store Manager Andy Aynesworth keep the store running smoothly and fully stocked.

We have shopping carts, to give the boys a true grocery store experience. We have dry goods, cold goods - nearly anything they may need.

We have lots of clothing and shoes, as well as home and beauty items, and blankets. We even have stacks of hand-made quilts, donated to us by the generous members of Flint Baptist Church. Each child who comes to live at the Ranch gets a hand-made quilt to call his own. This is very important for displaced children. *Our deepest thanks goes out to each church member who takes special time and care to sew these quilts for our kids.*

It's All About the Kids

What began in 1979 as one cottage with eight boys has grown across Texas to eight locations, annually serving nearly 2,000 boys and girls, birth to age 22.

Children come to Azleway with scars from their past lives. They have been removed from their homes due to abuse and neglect. Some, even at very tender ages, are so traumatized that they face significant obstacles to growing into happy, healthy and successful adults.

Our Purpose, Vision and Passion:

To bring children in crisis into a healthy and growth-producing environment where they will receive compassionate care, educational opportunities and a supportive network. Our ultimate goal is to direct each child into a loving family.

WHAT WE DO AT AZLEWAY

Azleway has been faithfully restoring lives and relationships of children in crisis since 1979. We have had the privilege of helping thousands of children and families in their times of desperation.

Every child that comes into our agency is evaluated and placed in an appropriate program based on his or her needs. We have a continuum of care which includes: basic foster family homes, therapeutic foster family homes, residential treatment homes, general residential operation (GRO) and transitional living homes.

GENERAL RESIDENTIAL OPERATION (GRO)

Children struggling with emotional and behavioral issues are quickly stabilized in Azleway's Residential Treatment program. Unfortunately, many of these youths are not ready to move into foster care.

Bouncing between residential treatment and foster care is hard for a child's security, education and self-esteem. Azleway's GRO program is a way to transition a child into foster care by continuing enrollment in an on-campus school, where the child receives counseling services, structured activities, case-management support and care from professional staff who can maintain active support. A change in placement can then be accomplished when the child is ready and able to successfully function in a less-restrictive environment.

AZLEWAY BOYS' RANCH VALLEY VIEW

Azleway Boys' Ranch is intensive therapy set in relaxed atmosphere. Catering to at-risk boys, Azleway Boys' Ranch provides a wide variety of professional services, tailored to meet the needs of residents, in a planned continuum of care. Providing flexible, individualized therapy, testing and counseling services, Azleway staff professionals are committed to building a program to fit each child's needs. Each boy is invited into a caring environment at the Boys' Ranch, where he receives structure, compassion, education and coping skills.

FOSTER CARE SERVICES

Azleway Children's Services (ACS) was originally established to provide the "next step" for successful residents of Azleway Boys' Ranch. Now, Azleway finds homes for boys and girls, ages 0-17. When parents are unable or unwilling to care for a child, ACS finds safe, secure homes for these Texas children in crisis through our Foster Care Program. Foster homes range from basic care homes to therapeutic homes, depending on the needs of the child.

AZLEWAY SUBSTANCE ABUSE PROGRAM (ASAP)

Founded in 1997, the **Azleway Substance Abuse Program (ASAP)** helps kids get free from chemical dependency. The staff, of licensed professional counselors and licensed chemical dependency counselors, works with young men ages 13-17, in a ranch setting in Big Sandy, Texas. The goal is to help each youth develop a solid recovery program that includes relapse prevention planning and strong support systems, through group and individual counseling sessions, education and group therapy.

ADOPTION SERVICES

Azleway Children's Services (ACS) now provides adoption services. At Azleway, parents can be verified to adopt in two ways, **matched adoptions** or **foster-to-adopt**. Potential adoptive parents must be at least 25 years of age, with a high school diploma or GED, and must pass a criminal and child abuse background check. Azleway provides extensive training and on-going support to potential adoptive and adoptive parents.

It's All About Giving

Over the last 39 years Azleway has served thousands of children who desperately needed us. We haven't done it alone, though. Azleway works year-round to make children's lives better and to help them grow into healthy, happy adults, and it's so wonderful when others join us in the mission!

Azleway served almost 2,000 foster children last year. Some kids are only with us for a few weeks, while others will need our programs for many years to come.

We rely on our generous community to help us

provide the "extras" for our kids, especially during the holidays. Your gifts make a real Christmas for the people in our care – often the only Christmas they have ever had.

Each year we ask the children to fill out a wish list for the holiday and we post their three gift wishes in the magazine, and throughout our communities. And every year you make it happen! We worry and fret and we pray and somehow it all comes together for the kids in the same magical way that all holiday wishes come true.

So many success stories begin with the kindness of a stranger during a time of change. You hear these "re-birth" stories from so many accomplished business men and women, and we hear them from our Azleway foster children, past and present. **I want you all to know that your kindness to these kids makes a real and lasting difference.** It may be physically a pair of sneakers, a baby doll, or a warm blanket, but what it says to a kid is so much more - "We see you. We value you. We want you to be happy."

On behalf of Azleway and the precious children that we serve, we thank you all so much.

East Texas Gift-Giving Guidelines

- 1** This is a solid commitment. Please do not promise to buy gifts unless you are certain you can provide them. If you would like to contribute, but are unable to buy all of the items on a child's list, it is okay to buy only one item. Each item brings us closer to fulfilling a wish. If for any reason, you become unable to fulfill your commitment, please call or email your contact person, in a timely manner.
- 2** Please do not ask to give your gifts to the child in person. Azleway strives to make Christmas as home-like as possible and observes traditional times for giving the gifts to the children Christmas Eve or Christmas morning.
- 3** All items need to be unwrapped and labeled with the child's name.
- 4** Stockings are great gifts, as are any other extras you may like to provide. If you don't want to choose an individual child, items such as stocking stuffers, board games, bibles, sports balls, watches, wallets, cologne, batteries, small toys, etc., are always needed. Monetary donations & gift cards are also appreciated.

Note: Each area has the same gift-giving guidelines, but every area has a different contact person & wrapping guidelines. Please consult the Wish List page for your area, to find your contact person.

WE NEED SUITCASES!

Azleway Boys' Ranch is a home for boys. They live here. They generally come here after being taken from neglectful or abusive parents. Most times, they arrive here with their belongings in a trash bag. When they leave the Ranch, we send them on their way with a suitcase for their belongings.

We refuse to have any boy leave the Ranch with his belongings in a trash bag!

We are in dire need of suitcases and large sport duffel bags - in new or gently used condition. Lately, each time a boy leaves, we have to go purchase a suitcase for him. We would like to have a surplus in the store, so that we can stay prepared for the eventuality of a boy leaving. **If you have extra suitcases or would like to purchase one for a boy here at the Ranch, please call Andy at Papa's Bill's Food Pantry (903) 565-0215 OR you can donate online at Azleway.org, and designate your donation towards the SUITCASE DRIVE.**
